CROSSROADS Center for Children

Wish List

Updated 11/6/18

Please consider donating something we need.

This is our Wish List, updated weekly from the requests of the staff. Due to space limitations, we can't always accept everything you have to hand down, but we do very much appreciate your help with our Wish List. Please contact Vicki **before** dropping off items to ensure that we are able to receive your donation when you arrive.

- Items can be previously used but should be in safe condition!
- We are not able to take stuffed animals, thank you.

Thanks for your help! Vickir@crossroadcenter.org (518) 280-0083 ext.126
