

Updated 1/10/19

Our **Wish List** is updated weekly from the current requests of the staff.

- Due to space limitations, we cannot accept everything you may wish to hand down. However, we do very much appreciate your help with this Wish List which reflects items that will be useful at this time.
- Please contact Vicki **before** dropping off items to ensure that we are able to receive your donation when you arrive.
- Items can be previously used but should be in safe condition!
- We are **not able** to take stuffed animals, thank you.

Thanks for your help!
