

Job Type: Full Time (10 Month)

Job Description: School Psychologist

Crossroads Center for Children, located in Schenectady, NY, is looking to fill an immediate opening for a school psychologist. The position has flexible hours that could range from per diem to full time. Come join our supportive team of professionals!

Crossroads serves children in our school age K- 5 program following principles of Applied Behavior Analysis.

Job description includes, but is not limited to:

Processing, scheduling, and performing evaluations for children who attend Crossroads Center for Children and those who are referred to the program, develop and write required reports, establish and conduct group and individual lessons as mandated by a student's IEP, communicate and educate parents and families, and be a part of the crisis intervention team.

Benefits include the flexibility of following a school year calendar, including a six week summer program, as well as access to a comprehensive benefits package.

New York State Certification as a School Psychologist is required. Position starts ASAP.
