

About Us

MISSION: To prepare individuals with and without developmental disabilities for life success within their family and community.

PHILOSOPHY: Crossroads Center for Children utilizes interventions from the field of applied behavior analysis (ABA), a branch of psychology and education with a foundation based on scientific analysis of human behavior and learning.

Crossroads is an organization located in Schenectady, with a center-based school and a clinic helping children diagnosed with autism and other developmental special needs, from all over our region. This is the only organization fully operating on the philosophy and strategies of ABA (applied behavior analysis), and thus a critical need for our area. As a nonprofit, Crossroads relies on the kindness and generosity of the community.

Crossroads Center is a 501 (C) 3 Nonprofit Organization, Tax ID #14-1809027. Donations outside of the fair market costs of advertising, food, gifts and golfing fees are tax-deductible to the full extent of the law. Crossroads will provide a thank you letter with receipt of your contribution that you can retain for your tax records. All donations from fundraisers for Crossroads go towards the extensive expenses of running a nonprofit school to provide the services that the children need to progress and thrive.

Dear Friend,

We're excited to ask you to join us in this year's Annual Golf Tournament! Again this year, we will be at the beautiful Edison Club, located in Rexford, NY on Monday, May 19th. We are counting on your support for a successful event to benefit the work of Crossroads Center for Children!

There are several ways that you can help! This invitational brochure includes information about golfing, sponsorships, and donations for our raffles.. Our sponsorships menu looks a bit different this year - we did not automatically include 4-somes., allowing you do add yours at a very deep discount, or to be a sponsor even if you don't golf. Please don't hesitate to reach out with any questions.
