

Physical Therapist (PT)

Full-Time| \$60,000-\$80,000/year| Paid Training| Comprehensive Benefits Package

Do you enjoy helping people increase their gross motor skills? Would you like working with children with intellectual disabilities on increasing motor skills to improve their lives? Join our passionate and dedicated team at Crossroads Center for Children, where we offer top-quality services to children and families in a collaborative and dynamic environment!

Located in the Schenectady/Rotterdam/Duanesburg, NY area, Crossroads Center for Children provides a range of programs for children aged two to ten. Our journey began as an integrated, center-based program for preschoolers with autism, and we've since expanded to serve children up to ten years old. While autism remains our clinical specialty, we welcome children with various disabilities who can benefit from our behaviorally based educational approach.

As a PT at Crossroads, you will work alongside a talented team of special educators, behavior analysts, occupational therapists, speech and language pathologists, and teaching assistants to deliver exceptional ABA services in a school setting.

We're seeking enthusiastic, committed professionals who are eager to help students reach their full potential. If you're a life-long learner and are passionate about making a difference, we want you on our team! While experience working with children with Autism Spectrum Disorders is preferred, it's not required.
